

How to use Anycollege.com:

1. Click on "Start Your Search"
2. Select an academic program you are interested in.
3. Select any states you are interested in going to college in. (Holding down "control" while you select states will let you choose up to 4.)
4. Select the types of schools you want to go to:
 - a. 2 year or 4 year
 - b. Public or private
 - c. Leave it blank if you're not sure!
5. Indicate if you're interested in a particular type of religious affiliation or any sports.
6. Press the orange "Start Search" button!
7. Look through your search results and request information from the interesting schools!
